

## **NOTICE**

### **Determination of Allowable Revenues for the IMO and System Management**

The Economic Regulation Authority has determined the allowable revenues of the Independent Market Operator and System Management (a segregated unit of Western Power Corporation) from 1 July 2007 to 30 June 2010. The Wholesale Electricity Market Rules require the Authority to assess and determine the allowable revenues proposed by the IMO and System Management.

The Authority's determinations for the [IMO](#) and [System Management](#), which include its reasons, are available on the Authority's web site. Copies of reports from the Authority's advisor on the determination of allowable revenue are also available on the Authority's [web site](#). Printed copies of the documentation are available directly from the Authority for \$25.

As required by the Market Rules, the Authority undertook public consultation and submissions received were considered in making the determinations.
