

NOTICE

APPLICATION RECEIVED FOR GAS TRADING LICENCE AND GAS DISTRIBUTION LICENCE

20 April 2007

The Economic Regulation Authority is assessing applications from Origin Energy LPG Ltd for licences to distribute and trade gas in Kalbarri in Western Australia.

The company submitted its initial applications on 14 July, 2006, and the Authority requested a range of additional information to complete them. The information was provided on 11 April 2007.

The Authority is responsible for licensing gas supply services in Western Australia (under the *Energy Coordination Act 1994*) and must take all reasonable steps to decide on the application within 90 days of it being made.

This is subject to the Authority being satisfied that it would not be contrary to the public interest to do so if it is satisfied that the applicant:

a) has, and is likely to retain; or

b) will acquire within a reasonable time after the grant, and is then likely to retain,

the financial and technical resources to undertake the activities authorised, or to be authorised, by the licences.

The information as provided by the applicant is attached.
