

NOTICE

Invitation for Public Submissions on Standard Form Contract for Griffin Energy Sales Pty Ltd

The Economic Regulation Authority invites submissions from interested parties on the proposed standard form contract submitted by Griffin Energy Sales Pty Ltd (**Griffin**).

The proposed contract is available on the Authority's [web site](#).

Background

Griffin has recently submitted an application for a retail licence as required by the *Electricity Industry Act 2004*.

This application is for the sale of electricity to small use customers, defined in Part 3 of the Act, as those who consume not more than 160 megawatt hours of electricity per annum.

As required under section 49 of the Act Griffin submitted with the retail licence application a draft of the standard form contract under which the company proposes to supply electricity.

Under section 50 of the Act, the Authority must not grant a retail licence unless the Authority has approved the associated standard form contract.

Section 51 of the Act further states that the Authority must not approve a standard form contract if it considers that the contract will not meet the requirements of the regulations in respect of such contracts or will be inconsistent with the Act or any other written law or any term, condition or provision of the licence concerned.

Public Submissions

In undertaking the review of the standard form contracts, the Authority invites interested parties to provide submissions on Griffin's proposed standard form contract.

Submissions to the Authority in both hard and electronic form must be received by **4pm WDST, Friday 28 December 2007**.
