

NOTICE

Gazettal of the “Code of Conduct for the Supply of Electricity to Small Use Customers 2008”

The Authority today announced that the “Code of Conduct for the Supply of Electricity to Small Use Customers” has been replaced by a revised Code which was published in the Western Australian Government Gazette today.

The review of the Code was undertaken by the Electricity Code of Conduct Committee after the first anniversary of the Code’s commencement as required by Section 88 of the *Electricity Industry Act 2004*.

After offering interested parties the opportunity to comment on proposed revisions to the Code, the Electricity Code of Conduct Committee provided its final advice to the Authority on 3 September 2007. The Authority released a decision approving a revised Code on 2 October 2007.

The revised Code comes into force today. Further information about the Code can also be found on the Authority’s [web site](#).
