Dear Paul

TOODYAY SEWERAGE OPERATING AREA - PROPOSED EXTENSION

The Corporation has received a request from a developer to provide services for their development of lot 61 and part of lot Avon U2, Toodyay. The development is within the Goldfields and Agricultural Water Supply Operating Area but outside the current Toodyay Sewerage Services Operating Area.

The Corporation proposes the amended Operating Area boundary is extended to the Local Government Area boundary. The Operating Area drawing OWR-OA-169 C has been amended and is attached with a supporting sketch showing the current operating area boundary.

The Corporation requests approval by the Authority of the amended Toodyay Sewerage Services Operating Area drawing OWR-OA-169 D.

If you require further information on this application please do not hesitate to contact Meghan Andrews on 9420 3448.

Yours sincerely
