### Inquiry into the Water Corporation's Tariffs

#### RELEASE OF REVISED FINAL REPORT

The Economic Regulation Authority today issued a revised final report on its inquiry into the Water Corporation's tariffs for 2008/09.

Following the public release of the Authority's Final Report on the Water Corporation's tariffs for 2008/09, an error was identified in the model used to determine tariffs. The error resulted in the publication of some incorrect information in the original report.

The affected tables have been corrected and a Revised Final Report has been released. The Revised Final Report is available on the Authority's [web site](#).

A copy of the Revised Final Report showing the corrections made to the original is also available on the Authority's [web site](#).

All other information contained in the original final report remains unchanged.
