Major Suppliers - Water and Wastewater Statistics 2006/07

The Economic Regulation Authority today published the annual performance information provided by major suppliers of water and wastewater services on its [web site](#).

The Major Suppliers - Water and Wastewater Statistics is for 2006/07.

Under the *Water Services Licensing Act 1995*, the Authority is required to monitor the performance of the water services industry, including water service providers. The performance information - which major suppliers of water and wastewater services must provide to the Authority annually as part of their licence conditions - is then used to collate these statistical tables.

The Water and Wastewater statistics have been grouped into headings of:

- Water Resources;
- Asset Data;
- Customers;
- Health (Water) and
- Environment (Wastewater).
