Economic Regulation Authority  
6<sup>th</sup> Floor, Governor Stirling Tower  
197 St Georges Tce  
PERTH WA 6000

Dear Paul

**KUNUNURRA POTABLE WATER SUPPLY OPERATING AREA**

The Corporation has received a request from an aboriginal hostel located on lot 302 Victoria Highway, to extend their current water service to a proposed new hostel. There are also two large lots identified for future development:

1. Landcorp has identified future stages of the Lakeside development project, also located on Victoria Highway that will require a potable water service. There is an estimated 300 - 400 urban lots involved in this development.
2. Some special rural lots are proposed for the lot identified on Old Darwin Road.

These developments are outside the current Kununurra Potable Water Supply Operating Area. They are all shown on the proposed operating area drawing attached.

The Corporation requests approval by the Authority of the amended Kununurra Potable Water Supply Operating Area drawing OWR-OA-223 C.

If you require further information on this application please do not hesitate to contact Andrew Pascoe on 9420 2025.

Yours sincerely

Wayne Kearney
