2008 Annual Wholesale Electricity Market Report submitted to the Minister for Energy

The Economic Regulation Authority submitted the 2008 Annual Wholesale Electricity Market Report to the Minister for Energy on 5 November 2008. The report is an assessment of the market's effectiveness.

Under the *Wholesale Electricity Market Rules*, the Authority must provide the Minister with a report on the market's effectiveness at least annually, and more frequently where the Authority considers that the market is not meeting its objectives.

The market rules require the Authority, after consultation with the Minister, to publish a version of the report that has confidential or sensitive data aggregated or removed. The Authority anticipates that the public version of the 2008 Annual Wholesale Electricity Market Report will be published before the end of the year.
