NOTICE

Time extended for submissions on draft incident reporting manual for electricity, gas and water licensees

The Economic Regulation Authority has extended the time for comments on its incident reporting manual for licensees in the three industries, to 20 March 2009.

The extension followed a request from an interested party for more time to prepare their submission. The Authority determined that a time extension was desirable to ensure it could consider the views of all stakeholders.

The revised deadline for submissions on the incident reporting manual is **4.00pm WST on Friday 20 March 2009**.
