16 February 2009

Mr Mick Geaney
Assistant Director Licensing
Economic Regulation Authority
PO Box 8469
Perth BC WA 6849

Dear Mick,

AMENDMENTS TO LICENCE E1RL 2

Horizon Power requests that licence ERIL 2 be amended as follows, to primarily record the changes from in-house generation to electricity power purchase contracts.

Licensee Address

Stovehill Road
Karratha Western Australia 6714

Generating Works

3.1 Description - Delete the following power stations

Broome Power Station
Camballin Power Station
Coral Bay wind diesel system
Denham Power Station and Windfarm
Derby Power Station
Exmouth Power Station
Fitzroy Crossing Power Station
Halls Creek Power Station
Hopetoun Power Station

Enclosed is a CD with amended licence area maps for each of the deleted power station areas. The maps for Kununurra and Wyndham have also been amended to include a reference to the power station location at each location.

3.2 Installed Capacity - Amend to 40.604 MW

Definitions

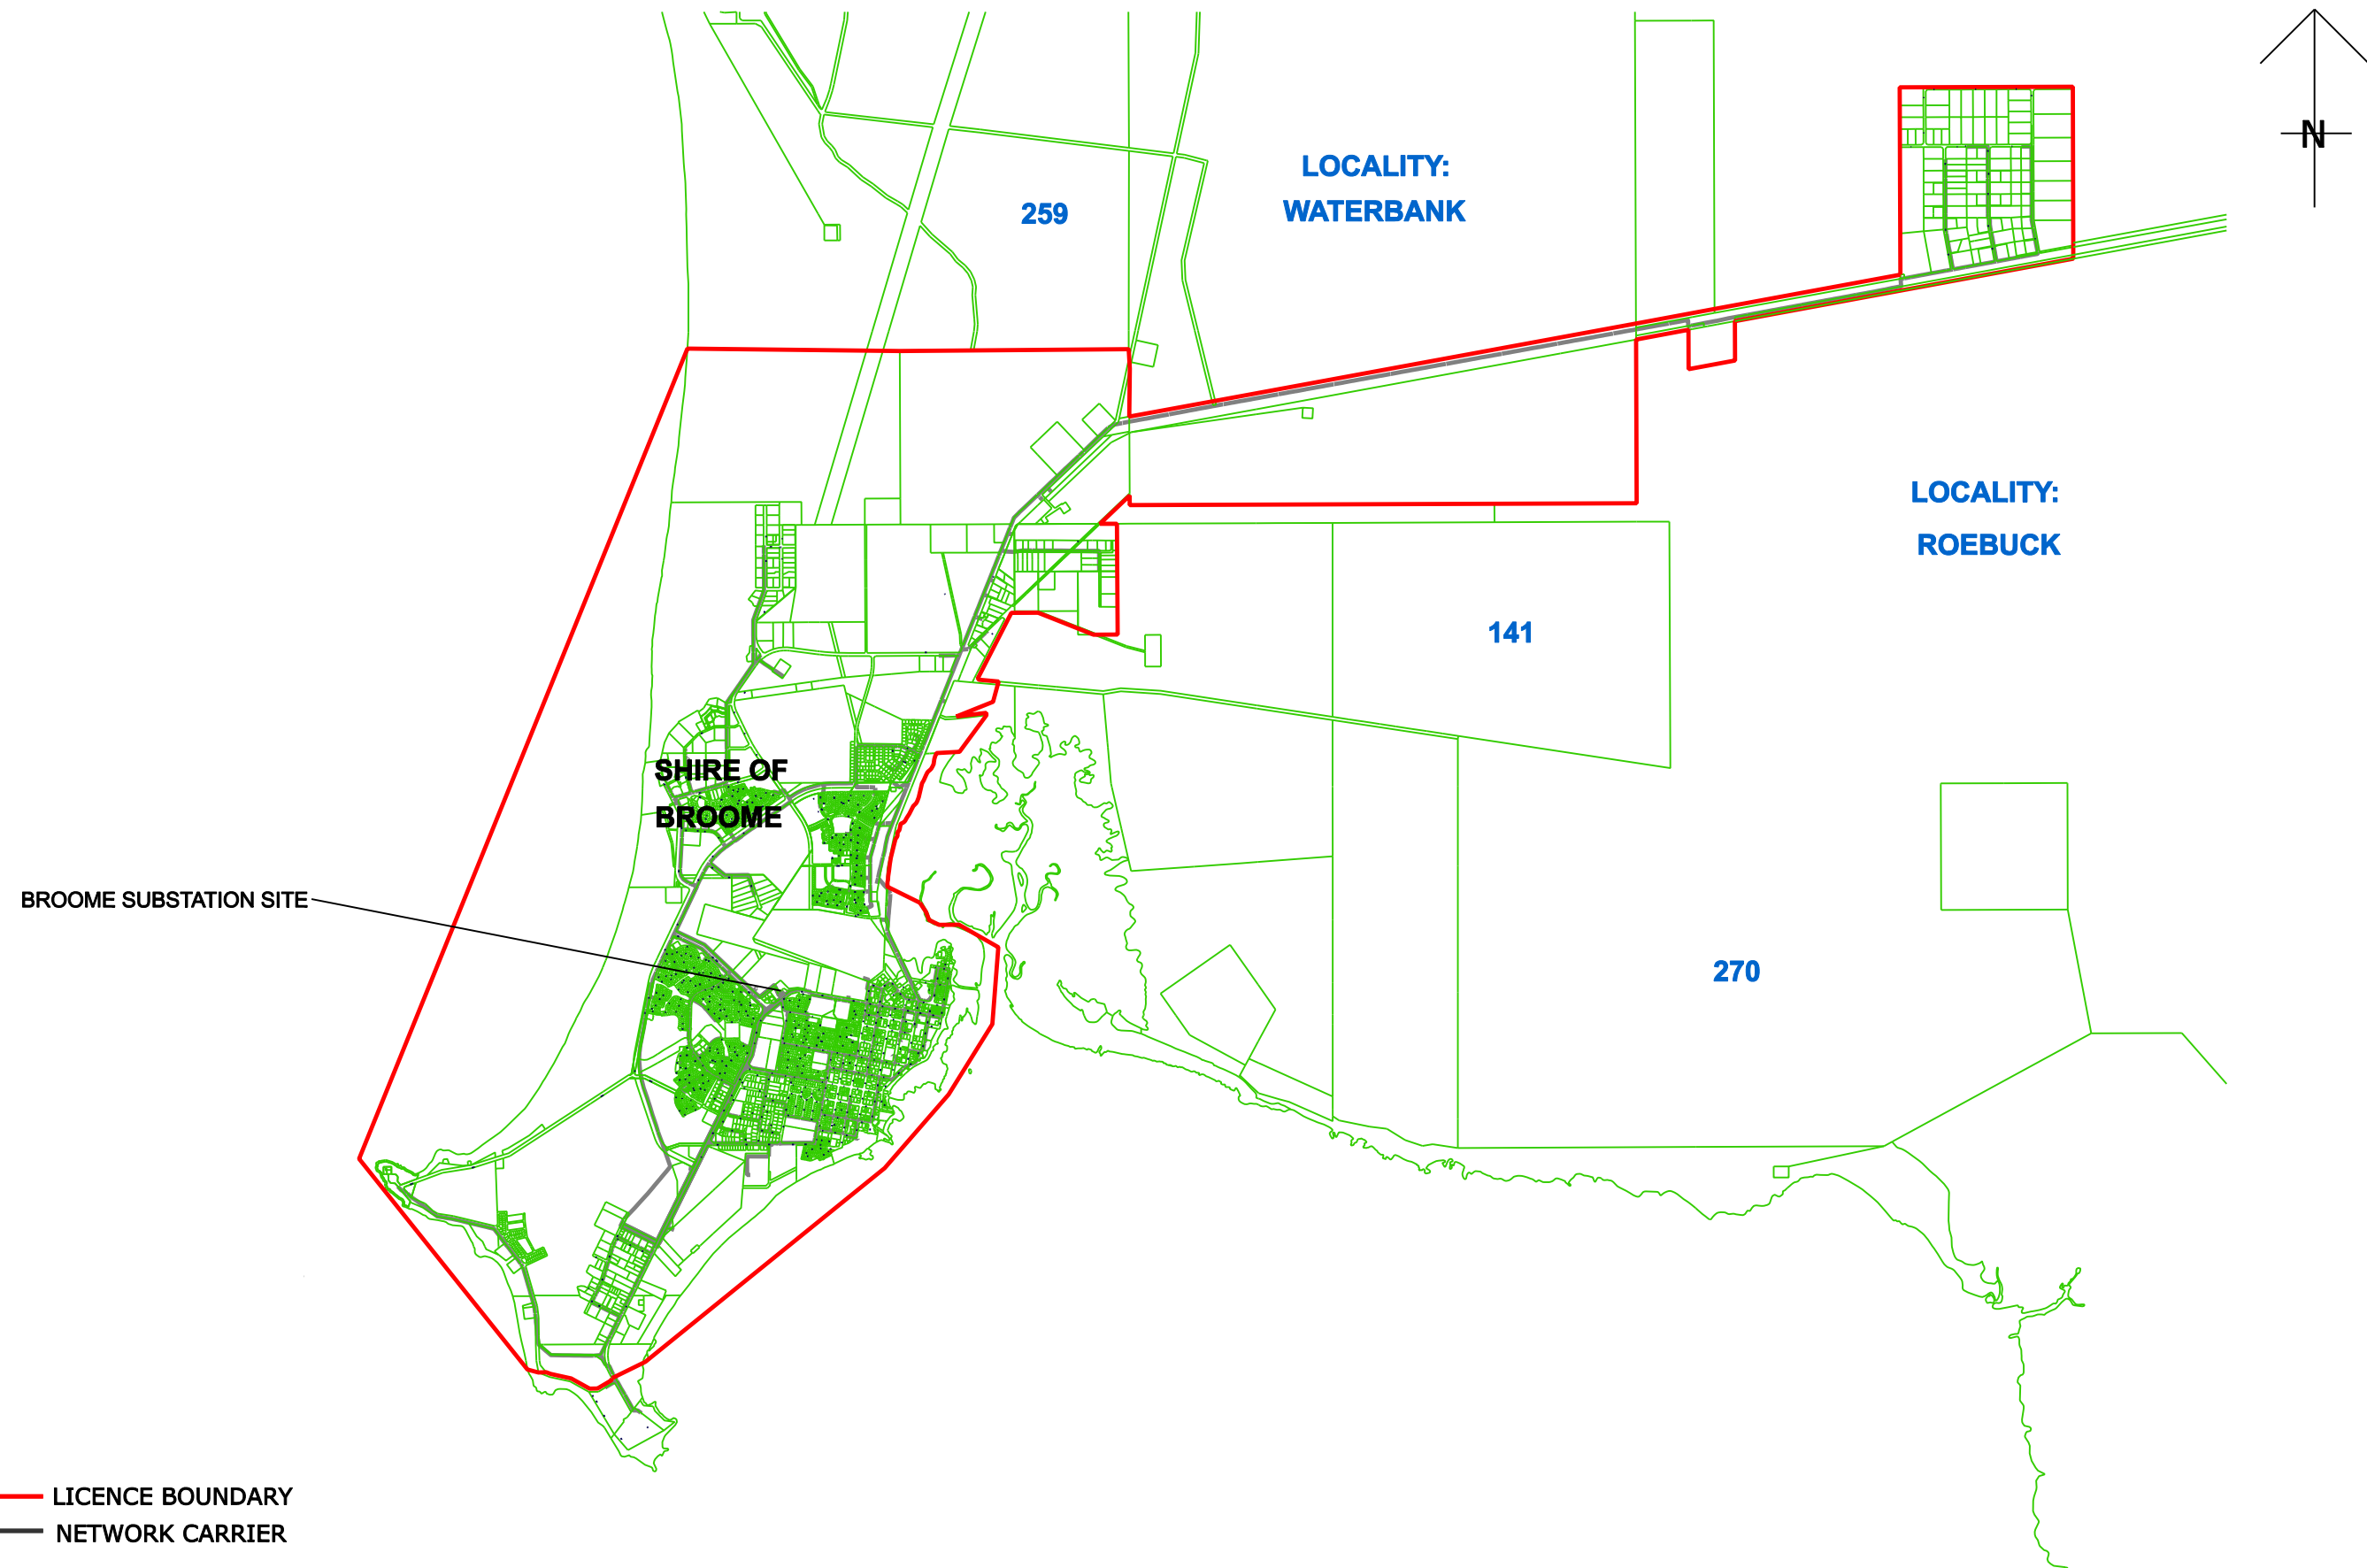

Amend definition of 'Individual performance standards' to refer to clause 25 rather than clause 22.

Amend definition of 'Licence' part '(c)' to refer to clause 25 rather than clause 22 for approved individual performance standards.

I request that the Economic Regulation Authority amend licence ERIL 2 as proposed.

Yours faithfully,

DAVID TOVEY
MANAGER GOVERNANCE AND COMPLIANCE
