## NOTICE

### Major Suppliers – Water, Wastewater and Irrigation Statistics 2007/08

The Economic Regulation Authority today published the annual performance information provided by major suppliers of water, wastewater and irrigation services for 2007/08 on its [web site](#).

The Authority is required to monitor the performance of the water services industry, including water service providers, under the *Water Services Licensing Act 1995*.

The performance information - which the major service suppliers must provide annually to the Authority as part of licence conditions - is then used to collate these statistical tables.

The water and wastewater statistics have been grouped under the headings of:

- Water Resources;
- Asset Data;
- Customers;
- Health (Water); and
- Environment (Wastewater).

The irrigation statistics have been grouped under:

- Characteristic;
- Customer Service; and
- Environmental.
