NOTICE

Inquiry into Tariffs of the Water Corporation, Aqwest and Busselton Water

Extension for Submissions on Draft Report

The Treasurer has approved a one-month extension, to 17 July 2009, for the Economic Regulation Authority to deliver the final report from its inquiry into the tariffs of the Water Corporation, Aqwest and Busselton Water.

This has allowed an extra month for public submissions on the Authority's draft report, from 24 April to 22 May 2009.

The extension has been given in response to requests from stakeholders for more time to consider the complex issues involved.

The Authority published a draft report on its tariff inquiry on 18 March 2009, and invited interested parties to make submissions on the draft recommendations.

The Authority believes a time extension is important to the quality of the review process.
