### Access Arrangement for the Kalgoorlie to Kambalda Gas Pipeline

#### Extension of Time

The Authority has granted Southern Cross Pipelines Australia Pty Ltd (SCPA), as owner and operator of the Kalgoorlie to Kambalda Gas Pipeline, an extension of time to lodge a proposed access arrangement for the pipeline (until the earlier of):

- 1 January 2010; or
- 90 days after a user or prospective user approaches the regulator seeking access to the pipeline.

The extension was granted under the National Third Party Access Code for Natural Gas Pipeline Systems.

SCPA submitted its [application](#) for an extension of time on 17 June 2009 in anticipation that the new national gas access legislation would not be in place by 1 July 2009.

The new legislation, [National Gas Access \(WA\) Bill 2008](#), is expected to come into effect later this year and address transitional issues for the Kalgoorlie to Kambalda Pipeline.
