## NOTICE

### Time Extended for Submissions on the Draft Decision

#### WESTERN POWER'S PROPOSED ACCESS ARRANGEMENT REVISIONS

The Economic Regulation Authority has extended the time for public submissions on its Draft Decision on Western Power's Proposed Access Arrangement Revisions.

The extension was approved in response to a request from the service provider. The Authority accepted the extension as necessary for proper consideration of all matters, and it is also satisfied that the service provider has taken all reasonable steps to fully utilise the time and processes available in Chapter 4 of the *Electricity Networks Access Code 2004*. The extension has been granted pursuant to the requirements of sections 4.64 and 4.66(g) of the Access Code.

The request for the extension of time was made after the Authority published its draft decision on Western Power's proposed access arrangement revisions on 16 July 2009. An accompanying [notice](#) to the draft decision invited public submissions by the 13 August 2009.

Interested parties are advised that the revised deadline for submissions on the Authority's draft decision on Western Power's proposed access arrangement revisions is **4:00 pm (WST) Thursday, 10 September 2009**.
