NOTICE

Revisions to the Goldfields Gas Pipeline Access Arrangement

EXTENSION OF TIME FOR THE FINAL DECISION

On 23 March 2009, the Authority received the proposed revised access arrangement and access arrangement information for the Goldfields Gas Pipeline (GGP) from Goldfields Gas Transmission Pty Ltd (GGT), on behalf of Southern Cross Pipelines Australia Pty Ltd, Southern Cross Pipelines (NPL) Australia Pty Ltd and Alinta DEWAP Pty Ltd. These documents are available on our [web site](#).

The access arrangement sets out the terms and conditions under which GGT will provide third party users access to the GGP and the access arrangement information is to help interested parties understand GGT's proposed revisions.

On 22 April 2009, the Authority published an Issues Paper on GGT's proposed revised access arrangement to assist interested parties in making submissions. Submissions in response to GGT's proposed revised access arrangement are available on the Authority's [web site](#).

Section 2.21 of the *National Third Party Access Code for Natural Gas Pipeline Systems* (Code) provides that the Authority must issue within six months of receiving a proposed revised access arrangement, a final decision regarding that proposed revised access arrangement. The Authority is permitted under section 2.22 of the Code to extend the time frame to issue a final decision by one or two months on one or more occasions provided it publishes a notice of the decision to increase the period.

This Notice proposes to extend, under section 2.22 of the Code, the Authority's time frame to issue the final decision by two months to 23 November 2009.
