## NOTICE

### FINAL DETERMINATION

#### The Pilbara Infrastructure's Train Management Guidelines

The Economic Regulation Authority has published its final determination on The Pilbara Infrastructure's (TPI) proposed (revised) Train Management Guidelines.

The final determination was to approve the proposed policy document subject to twenty amendments. The Authority's [final determination](#), TPI's [proposed \(revised\) Train Management Guidelines](#) and [public submissions](#) are available on the Authority's web site.

The Authority commissioned consultant PricewaterhouseCoopers (PwC) to provide advice on TPI's proposed (revised) Train Management Guidelines, to assist the Authority in preparing its determination. The PwC final report is also available on the Authority's [web site](#).

Public consultation was conducted over a six-week period following submission of the proposed document by TPI on 3 July 2008. A second round of public consultation was undertaken over a six-week period following release of the Authority's draft determination on 30 April 2009.

The Authority has considered all submissions received in preparing its final determination.
