## NOTICE

### Tariffs for 2010 – WA Gas Networks Pty Ltd (formally Alinta Gas Networks)

#### Mid-West and South-West Gas Distribution Systems

The Authority today published a [letter](#) from WA Gas Networks Pty Ltd (WAGN) advising of the reference tariffs that will apply for access to the Mid-West and South-West Gas Distribution Systems from 1 January 2010.

WAGN's letter advises that the current reference tariffs applying from 1 January 2009 to 31 December 2009 will remain unchanged and will continue to apply from 1 January 2010 until the commencement of the revised Access Arrangement due to be lodged with the Authority on 31 January 2010.

Reference tariffs are independent of retail tariffs that apply to general small business and household consumers, which may be varied on 1 July each year and are linked by government regulation to the Consumer Price Index.

The current Access Arrangement for the Mid-West and South-West Gas Distribution Systems is available on the Authority's [web site](#).
