### Dampier to Bunbury Natural Gas Pipeline

#### CORRIGENDA TO APPROVED REVISED ACCESS ARRANGEMENT

The Economic Regulation Authority today published a corrected version of the approved revised access arrangement for the Dampier to Bunbury Natural Gas Pipeline (**DBNGP**) issued on 26 June 2008.

DBP Transmission (WA) Pty Ltd (**DBP**) wrote to the Authority on [2 December 2009](#) pointing out that an apparent error existed in the current access arrangement for the DBNGP in relation to there not being an explicit reference, in the access arrangement, to a variation to the reference tariff in 2010 as in other years of the access arrangement period.

The Authority has considered this matter and is of the view that an inadvertent error has been made in the access arrangement. This error was included in the proposed revised access arrangement submitted by DBP and remained in the access arrangement issued and approved by the Authority in 2005.

The reference tariff modelling undertaken by the Authority under the approved access arrangement was based on tariff variations, resulting from CPI adjustments, taking place on 1 January of each year of the access arrangement from 2006 to 2010 (inclusive).

The Authority has accordingly issued the following corrigenda to the current access arrangement to correct the above error.

- Section 7.11 (b) (page 21): Replace “and 2009” with “, **2009 and 2010**”.
- Section 7.11 (page 22) for Tariff<sub>n</sub> (first row of table): Insert “**and 2010**” after “2009”.

A copy of the [corrected revised access arrangement](#) is available on the Authority’s web site.
