WestNet Rail (WNR) - Segregation Arrangements

The Economic Regulation Authority (**Authority**) today approved WNR's revised [Segregation Arrangements](#).

A railway owner's Segregation Arrangements sets out the controls and procedures for segregating its access-related functions from its other functions, which is a requirement under Part 4 of the *Railways (Access) Act 1998*.

The Authority's approval is required, pursuant to section 29 of the Act, before WNR puts in place its Segregation Arrangements.

A copy of WNR's revised Segregation Arrangements is available on the Authority's website.
