NOTICE

Proposed Revised Access Arrangement for the Dampier to Bunbury Natural Gas Pipeline

EXTENSION OF TIME TO MAKE SUBMISSIONS

On 15 April 2010 the Economic Regulation Authority published a [notice](#) inviting public submissions on the proposed revised access arrangement for the Dampier to Bunbury Natural Gas Pipeline, submitted by DBNGP (WA) Transmission Pty Ltd (**DBP**) on 1 April 2010.

The Authority has received a number of requests to extend the public submission period. Having regard to these requests and the complexity of DBP's revisions proposal the Authority has decided to extend the submission period by four weeks from 11 June 2010. Submissions are now due on **4:00 PM (WST) Friday, 9 July 2010**.

It is intended that submissions will be published on the Authority's [website](#). The publication of a submission on the Authority's website shall not be taken as indicating that the Authority has knowledge either actual or constructive of the contents of a particular submission and, in particular, whether the submission in whole or part contains information of a confidential nature and no duty of confidence will arise for the Authority.

Calculation of Time

Under rule 11(c) of the National Gas Rules, for the purpose of calculating the time limit for which the Authority must make a final decision, the Authority has decided to disregard the total period allowed for public submissions from 15 April to 9 July 2010.
