Publication of 2008-2009 Statistics

MAJOR SUPPLIERS OF WATER, WASTEWATER AND IRRIGATION SERVICES

The Economic Regulation Authority today published the annual performance information provided by major suppliers of water, wastewater and irrigation services for 2008-2009 on its website.

The Authority is required to monitor the performance of the water services industry, including water service providers, under the *Water Services Licensing Act 1995*.

The licences granted to major water service providers require them to provide annual performance information to the Authority. This information is used to collate the statistical tables.

Copies of the documents listing the statistics are available from the Authority's [website](#).
