Dear Lanie

Horizon Power appreciates the opportunity to comment on the 'Electricity Licence Review 2010 – Discussion Paper'.

Horizon Power has reviewed this document in its entirety but with a bias towards the section on Integrated Regional licences and finds no objections to the proposals contained therein.

Should you have any specific questions or require feedback on particular issues, Horizon Power would welcome the opportunity to discuss these further with the Authority. Please contact Mr Frank Buttigieg (6310 1939) for any further information you may require.

Yours sincerely
