Proposed Revised Access Arrangement for the Mid-West and South-West Gas Distribution System

WA Gas Networks Pty Ltd (**WAGN**) has lodged its response to the Authority's draft decision on the proposed revised access arrangement for the Mid-West and South-West Gas Distribution Systems (**GDS**).

The documents submitted by WAGN include a revised Access Arrangement proposal, Access Arrangement Information and a public version of WAGN's model. Copies of these documents are available on the Authority's [website](#). WAGN also provided the Authority with a confidential supporting submission in response to the draft decision. The public version of this supporting submission will be published on the Authority's website as soon as it is available.

WAGN lodged its initial proposed revisions to the Access Arrangement to the GDS on 29 January 2010 and the Authority issued its draft decision on 17 August 2010.

The National Gas Rules require the Authority to allow a period for public submissions of at least 20 business days commencing from the date a service provider is required to lodge its response to the Authority's draft decision. As previously advised, the submission date for interested parties to make submissions on the Authority's draft decision is 4:00pm (WST) Friday, 5 November 2010.
