Amendment to Electricity Integrated Regional Licence 2

HORIZON POWER

The Economic Regulation Authority has approved a request by Horizon Power to amend its Electricity Integrated Regional Licence 2 (**EIRL2**).

The amendment:

- extends Horizon Power's operating boundary in the South Hedland electricity licence area in anticipation of the transfer of assets at Utah Point from the Port Hedland Port Authority to Horizon Power; and
- creates a new licence area in Yungngora in order for Horizon Power to supply power to a community as part of the Aboriginal and Remote Communities Power Supply Project.

The amended licence is effective from 22 October 2010 under section 21 of the *Electricity Industry Act 2004*.

A copy of the amended [EIRL 2](#) and [Decision](#) can be obtained from the Authority's website.
