Operational Audit and Asset Management System Review Report

GASCOYNE WATER COOPERATIVE LTD

The Economic Regulation Authority today published the 2010 operational audit (**audit**) and asset management system review (**review**) report for Gascoyne Water Cooperative Ltd's (**Gascoyne Water**) water services operating licence.

After considering the report, the Authority has decided to reduce the time until the next audit and review of Gascoyne Water's operating licence from 36 months to 12 months.

A copy of the report can be obtained from the Authority's [website](#).
