Proposed Variations to Western Power's Access Arrangement for 2009/10 to 2011/12: Application and Queuing Policy

WESTERN POWER'S PROPOSAL DOCUMENT AMENDED

Due to an administrative error an incorrect version of Western Power's proposal to vary Appendix 1 of its access arrangement, the access and queuing policy, was published on the Authority's website on 31 January 2011. The website has now been updated to reflect the [correct version](#). The changes only apply to Western Power's explanation of its proposals and do not affect the proposed revised Appendix 1. The paragraphs affected are in section 3.2.7 under the headings Enquiry fee and Application fee.
