Performance Audit Report

ENEABBA ENERGY PTY LTD

The Economic Regulation Authority today published the 2010 performance audit (**audit**) report for Eneabba Energy Pty Ltd's electricity generation licence (EGL16).

As construction of the generation plant has not yet commenced, an asset management system effectiveness review (**review**) was not required.

After considering the audit report the Authority has decided to set the period of time until the next audit and review at 36 months.

A copy of the audit report is available on the Authority's [website](#).
