APPROVAL OF WESTNET RAIL'S AMENDED COSTING PRINCIPLES AND OVER-PAYMENT RULES

The Economic Regulation Authority has today published WestNet Rail's (WNR) approved [Costing Principles](#) and [Over-payment Rules](#).

Pursuant to WNR's current approved Costing Principles and Over-payment Rules, the Authority was required to undertake a review of WNR's Costing Principles and Over-payment Rules in October 2010.

Following the review process, on 9 March 2011 the Authority published its final determination on WNR's proposed Costing Principles and Over-payment Rules. The determination was to approve the Costing Principles subject to two amendments and to approve the Over-payment Rules as proposed.

On 4 April 2011 WNR submitted their amended Costing Principles and Over-payment Rules to the Authority for approval.

WNR's approved Costing Principles and Over-payment Rules are available on the Authority's website www.erawa.com.au.
