## Electricity Compliance Reporting Manual

### AMENDED ELECTRICITY COMPLIANCE REPORTING MANUAL

The Economic Regulation Authority has approved the publication of the amended Electricity Compliance Reporting Manual (Manual). The most recent version of the Manual was published in July 2010.

The Authority has also approved the publication of a document that outlines the amendments that have been made to the Manual, which include:

- aligning the compliance reporting obligations with the new electricity licence templates that became effective in January 2011);
- the addition of compliance obligations relating to the *Electricity Industry (Customer Contracts) Regulations 2005*;
- the clarification and streamlining of the procedures for annual performance and compliance reporting; and
- miscellaneous amendments and restructuring of the document to improve legibility.

Copies of the [Manual](#) and [Amendments to the Manual](#) are available on the Authority's website.
