Dampier to Bunbury Natural Gas Pipeline: Proposed Revised Access Arrangement

DISCLOSURE OF SUBMISSIONS

The Economic Regulation Authority has today published six submissions received from DBNGP (WA) Transmission Pty Ltd (**DBP**) on its [website](#). The submissions were received in support of DBP's revised access arrangement proposal received 1 April 2010. The submissions have been published in a redacted form.

In publishing these submissions, the Authority has decided to disclose information that DBP has claimed to be confidential. The Authority has disclosed the submissions as the Authority is considering their contents as part of its assessment of the proposed revised access arrangement submitted by DBP.

BACKGROUND

Notice of Disclosure

This disclosure decision has been made pursuant to section 329 of the Western Australian National Gas Access Law (**NGL (WA)**), as implemented by the *National Gas Access (WA) Act 2009*. Pursuant to section 329(1) of the NGL(WA), subsequent to giving DBP notice of the Authority's intention to disclose information that DBP claimed to be confidential, the Authority is authorised to publish the information that is the subject of further disclosure notices.

Proposed revised access arrangement

The Authority made its draft decision on DBP's proposed revised access arrangement for the DBNGP on 14 March 2011. DBP submitted its amended revised access arrangement proposal on 18 April 2011 and public submissions are due on 20 May 2011. The relevant documents can be found on the Authority's [website](#).
