## Electricity Code Consultative Committee

### APPOINTMENT

The Economic Regulation Authority today announced a new member, Mr Charles Brown, Executive Officer of the Financial Counsellors Association of WA, to be appointed to the Electricity Code Consultative Committee (ECCC) until 31 March 2013. Mr Brown replaces Ms Julie Abela.

*The Electricity Industry Act 2004* requires that the Authority establish a committee to review the *Code of Conduct for the Supply of Electricity to Small Use Customers* and to provide advice to the Authority when the Authority proposes to amend the Code.

The Code regulates the conduct of electricity retailers, distributors and marketers in relation to the supply and marketing of electricity.

The ECCC has four consumer representatives, four industry representatives, two government representatives and a non-voting chairperson and executive officer.

Further information about the ECCC is available on the Authority's [website](#).
