Gas Marketing Code Consultative Committee

APPOINTMENT

The Economic Regulation Authority today announced a new member, Mr Charles Brown, Executive Officer of the Financial Counsellors Association of WA, to be appointed to the Gas Marketing Code Consultative Committee (GMCCC) for the period 2011-2013. Mr Brown replaces Ms Julie Abela.

Under the *Energy Coordination Act 1994* the Authority may, in consultation with the committee, approve a code of conduct to regulate and control the conduct of the holders of trading licenses and gas marketing agents, with the object of protecting customers from undesirable marketing conduct and defining standards of conduct in the marketing of gas to customers. The code is known as the *Gas Marketing Code of Conduct*.

The Act requires that the Authority establish the committee to undertake the statutory review of the code every two years and to advise the Authority regarding proposed amendments to the code.

Further information about the GMCCC is available on the Authority's [website](#).
