## Regional Power Corporation (t/a Horizon Power)

### ELECTRICITY STANDARD FORM CONTRACT

The Economic Regulation Authority is seeking public comment on proposed replacement of the Regional Power Corporation (t/a Horizon Power) standard form contract for the supply of electricity to small use customers.

The Authority requested that Horizon Power review its electricity standard form contract to ensure that they comply with the requirements of the new Australian Consumer Law as well as the current version of the *Code of Conduct for the Supply of Electricity to Small Use Customers*. Horizon Power has completed its review and has requested that the Authority approve a replacement standard form contract.

Under the *Electricity Industry Act 2004*, the Authority must not approve a standard form contract if it considers the contract does not meet the relevant regulations, any other written law, or any term, condition or provision of the electricity retail licence.

A copy of the proposed replacement standard form contract is on the Authority's [website](#).

Interested parties are invited to make submissions in print and electronic form on the standard form contract by **4:00 pm (WST) on Friday, 15 September 2011**.

Submissions should be marked to the attention of Ms Lanie Chopping, Assistant Director Customer Protection.
