Dear Robert

### **SUBMISSION OF PROPOSED CAPITAL PROJECT FOR NFIT PRE-APPROVAL**

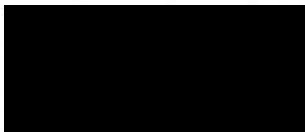

I am pleased to provide a version of the recent submission for pre-approval of new facilities investment for the transmission network augmentation in the mid-west region that is suitable for publication.

In this version, all confidential information has been removed from the submission made on 2 August 2011.

This public version comprises this covering letter and the attached detailed submission documents. Electronic versions are also enclosed.

I look forward to these documents being published by the Authority.

Yours sincerely,

Peter Mattner  
Manager Regulation & Pricing
