GAS STANDARD FORM CONTRACT

The Economic Regulation Authority is seeking public comment on the proposed replacement of the WorleyParsons Asset Management Pty Limited (WorleyParsons) Standard Form Contract for the supply of gas to small use customers.

The Authority requested that WorleyParsons review its Standard Form Contract to ensure that they comply with the requirements of the new Australian Consumer Law as well as the current versions of the *Gas Marketing Code of Conduct* and the *Compendium of Gas Customer Licence Obligations (Gas Customer Code)*. WorleyParsons has completed its review and has requested that the Authority approve a replacement Standard Form Contract.

Under the *Energy Coordination Act 1994*, the Authority must not approve a Standard Form Contract if it considers the contract does not meet the relevant regulations, any other written law, or any term, condition or provision of the gas retail licence.

A copy of the proposed replacement Standard Form Contract is available on the Authority's [website](#).

Interested parties are invited to make submissions in print and electronic form on the standard form contract by **4:00 pm (WST) on Friday, 21 September 2011**.

Submissions should be marked to the attention of Ms Lanie Chopping, Assistant Director Customer Protection.
