## Western Power's proposed Access Arrangement revisions

### Invitation to attend public forum

The Economic Regulation Authority (ERA) wishes to invite interested parties to attend a public forum on Western Power's proposed revisions to its Access Arrangement for the third access arrangement period.

The forum, to be hosted by the ERA, will include presentations by Lyndon Rowe, Chairman of the ERA, and Doug Aberle, Managing Director of Western Power. The purpose of the forum is to help interested parties understand Western Power's proposed revisions to the Access Arrangement for the Western Power Network and the ERA's process for considering the proposal. The forum will also provide interested parties an opportunity to raise questions with Western Power on the proposed revisions and with the ERA on the process for assessing these revisions.

Interested parties are encouraged to obtain a copy of Western Power's proposal which is available on the ERA's [website](#). An Issues Paper, to help interested parties prepare public submissions, will be released by the ERA by Monday, 7 November 2011.

The forum will be held on Monday, 14 November 2011 from 10:00 am – 12:30 pm at the Rydges Hotel, Corner of King Street & Hay Street, Perth.
