Amendment Details	
Licence No	GTL9
Reason for and Details of the Amendment	<p>Alinta Sales Pty Ltd (Alinta) holds a Gas Trading Licence, GTL9. Alinta Energy seeks an amendment to GTL9.</p> <p>Background</p> <p>In July 2012, Alinta Energy sought to vary the licence obligation contained in Schedule 2 (the Compendium of Gas Customer Licence Obligations (Compendium)) clause 4.1(b) which requires a retailer to issue customers with a bill at least every three months.</p> <p>The Economic Regulation Authority (Authority) agreed to amend Alinta Energy's licence to allow for bills to be issued not less than every 110 days, in line with the distributor's requirement to provide data to Alinta Energy and to accommodate any delay in receiving the data.</p> <p>This amendment is included in Schedule 3 clause 4.1 of GTL9 version 7, 17 September 2012.</p> <p>Proposal</p> <p>The Authority has since amended the Compendium to ensure consistency with the Electricity Code, with the amendments taking effect from 1 January 2013.</p> <p>Schedule 2 of Alinta Energy's licence contains the Compendium. Clause 13.2(a)(i) and 13.2(b)(i) of the amended Compendium require a retailer to keep a record of the total number of, and percentage of, its residential and business customer accounts respectively that have been issued with a bill outside the timeframes prescribed in clause 4.1. This information must be included in the retailer's annual report.</p> <p>Alinta Energy now seeks to amend the licence to remove the requirement to comply with clause 13.2(a)(i) and 13.2(b)(i) of the Compendium and to require Alinta Energy to keep a record and report only the total number of, and percentage of customer accounts that have been issued with a bill outside the 110 day period.</p>
