Guidelines for the Rate of Return for Gas Transmission and Distribution Networks

PUBLICATION OF WORKSHOP SUMMARY AND SUBMISSIONS RECEIVED ON COST OF DEBT WORKING PAPER

As part of the development of the Rate of Return Guidelines for Gas Transmission and Distribution Networks, the Economic Regulation Authority Secretariat held a stakeholder workshop on 3 July 2013. A summary of points raised by participants has been made available on the ERA's [website](#).

On 17 June a working paper was released for public consultation considering three alternative options for estimating the cost of debt in terms of their outcomes for economic efficiency. Interested parties were invited to make submissions on the working paper by 8 July 2013. Submissions were received from:

- Goldfields Gas Transmission Pty Ltd
- Western Australian Treasury Corporation
- APA Group
- Dampier Bunbury Pipeline

These submissions are available on the ERA [website](#).
