## Professor Stephen King Appointed ERA Alternate Chairman

The Governor of Western Australia has appointed Professor Stephen King as Alternate Chairman of the Governing Body of the Economic Regulation Authority until 24 November 2015. This appointment follows the departure in August of former full-time Chairman, Lyndon Rowe. Professor King has been appointed in a part-time capacity.

Professor King's appointment as Alternate Chairman, rather than as Chairman, reflects the part-time nature of the appointment.

The ERA's Governing Body consists of Professor Stephen King and Mr Steve Edwell. Professor King and Mr Edwell have been members of the ERA's Governing Body since December 2010 and January 2006 respectively.

Professor King is a Professor of Economics and former Dean at Monash University in Melbourne. He is also a Lay Member of the High Court of New Zealand and a part-time Member of the National Competition Council.
