Consultation on Origin Energy Retail Ltd's standard form contract

The Economic Regulation Authority (**ERA**) invites comments on Origin Energy Retail Ltd's (**Origin Energy**) proposed [standard form contract](#) for the supply of gas to small use customers (customers whose consumption of gas is less than 1 terajoule a year).

In December 2016, Origin Energy applied for a trading licence to sell gas to customers in the coastal supply area of Western Australia. Applicants for a gas trading licence must submit with their licence application a draft of the standard form contract under which they will supply those customers.

Under the *Energy Coordination Act 1994 (Act)*, the ERA must not approve a standard form contract if it considers the contract does not meet the requirements of the Act, the relevant regulations, any other written law, or any term, condition or provision of the gas trading licence.

Interested parties are invited to make submissions on the proposed standard form contract by **Wednesday, 3 May 2017**.
