Review of the Emergency Services Levy

Final report delivered to the Treasurer

The Economic Regulation Authority (ERA) delivered its final report on the review of the Emergency Services Levy (ESL) to Treasurer Ben Wyatt on 29 September 2017.

The Treasurer asked the ERA to prepare a report on the current arrangements for, and options to improve, the management and distribution of the ESL in Western Australia.

The final report incorporates findings from an extensive public consultation process, including submissions received in response to an issues paper and draft report.

The *Economic Regulation Authority Act 2003* requires the Treasurer to table the final report in each House of Parliament within 28 days after receiving the final report.

The ERA will publish the final report on its website after the Treasurer has tabled it in Parliament. The ERA will not comment on the findings of the final report until this time.
