## Consultation on Simply Energy's gas trading licence application

The Economic Regulation Authority (ERA) is seeking public comment on a gas trading licence application by IPower Pty Limited and IPower 2 Pty Limited (a partnership trading as Simply Energy) to sell gas to small use customers<sup>1</sup> in the coastal supply area.

The coastal supply area stretches from Geraldton to Augusta and includes the Perth metropolitan area.

A summary of the licence application is available on the ERA [website](#).

The grant of a licence is subject to the ERA being satisfied that it would not be contrary to the public interest to do so and that the applicant:

- has, and is likely to retain; or
- will acquire within a reasonable time after the grant, and is then likely to retain,

the financial and technical resources to undertake the activities authorised by the licence.

The ERA invites interested parties to make public submissions on Simply Energy's licence application by 16:00 (WST) on 13 November 2017. Please send submissions to the ERA marked for the attention of the Assistant Director Utility Services Regulation:
