Consultation on Simply Energy standard form contract

The Economic Regulation Authority (**ERA**) invites comments on IPower Pty Ltd and IPower 2 Pty Ltd joint partnership's (trading as Simply Energy) proposed standard form contract for the supply of gas to small use customers.¹

On 12 October 2017, Simply Energy applied for a trading licence to sell gas to customers in the Coastal Supply area of Western Australia. A summary of the [licence application](#) is on the ERA website.

Gas trading licence applicants must submit a draft standard form contract, under which they will supply customers, with their application.

Under the *Energy Coordination Act 1994 (Act)*, the ERA must not approve a standard form contract if it considers the contract does not meet the requirements of the Act, the relevant regulations, any other written law, or any term, condition or provision of the gas trading licence.

Invitation for submissions

The ERA invites interested parties to make submissions on the proposed [standard form contract](#).

Submissions close 4:00 pm (WST) Tuesday, 23 January 2018.

Submissions should be lodged online using the form on our website www.erawa.com.au/consultation.
