## Electricity Licence Review 2018

### PUBLICATION OF SUBMISSIONS ON DISCUSSION PAPER

The Economic Regulation Authority (**ERA**) has published four submissions received in response to its Electricity Licence Review 2018. Copies of the submissions from Alinta Energy, APA Group, Perth Energy and Western Power are available on the ERA [website](#).

The submissions were in response to the ERA's [Electricity Licence Review 2018 – Discussion Paper](#), which was published on 2 February 2018, seeking public comment on proposed amendments to the electricity licence templates.

The ERA will consider the matters raised in the submissions when making its decision on the proposed amendments to the electricity licence templates.
