Rate of Return Guidelines (2018) for Gas Transmission and Distribution Networks

PUBLICATION OF SUBMISSIONS

On 29 June 2018, the Economic Regulation Authority published its Draft Rate of Return Guidelines (2018) for Gas Transmission and Distribution Networks and invited public submissions. The guidelines detail the method the ERA uses to estimate the allowed rate of return for gas transmission and distribution service providers.

These submissions are now available to view on the [ERA website](#).
