Application to revoke Technical Rule temporary exemption granted to Western Power for Meadow Springs zone substation

CONSULTATION PAPER

On 20 July 2015, the Economic Regulation Authority [approved](#) Western Power's application for a temporary exemption from compliance with clause 2.5.4(b) of the Technical Rules' capacity requirements at the Meadow Springs zone substation. The approval was granted under section 12.41 of the *Electricity Networks Access Code 2004*.

The ERA received an application from Mr Stephen Davidson to revoke the exemption. Mr Davidson's application was made under section 12.45 of the Access Code.

The ERA is seeking views from stakeholders on Mr Davidson's application and has prepared a [consultation paper](#) to assist interested parties.

Invitation for submissions

The ERA invites interested parties to make submissions on the [consultation paper](#).

Submissions close 4:00 pm (WST) Friday, 15 March 2019.

Submissions should be lodged online using the form on our website www.erawa.com.au/consultation.
