## Report to the Minister on the Economic Regulation Authority's compliance

The Economic Regulation Authority is responsible for ensuring that market participants comply with the Wholesale Electricity Market Rules.

As part of these responsibilities, the ERA is required to provide an annual report to the Minister for Energy on its own compliance with the Market Rules.

The ERA engaged an independent auditor to assess its compliance for 2018/19.

The auditor confirmed the ERA's compliance with the Market Rules, except for [two events](#) previously disclosed by the ERA concerning the inadvertent release of confidential information.

The 2018/19 report is available on the [ERA website](#).
