## Mid-West and South-West Gas Distribution Systems Reference tariff variation – 1 January 2020

The Economic Regulation Authority has approved an annual reference tariff variation proposed by ATCO Gas Australia for the Mid-West and South-West Gas Distribution Systems (GDS). The approved reference tariffs are consistent with the ERA's final decision for ATCO's revised access arrangement for the GDS, released on 15 November 2019.

The GDS access arrangement provides for an annual tariff variation on 1 January 2020 to adjust for inflation.

The ERA has verified that ATCO's proposed variation complies with the revised GDS access arrangement which will start on 1 January 2020 and run until 31 December 2024.

ATCO's proposal and the approved reference tariffs from 1 January 2020 are available on the ERA [website](#).
