Dear Nicola

Response to ERA's decision on the 2020-21 Ancillary Services Requirements

Thank you for the approval of the Ancillary Services requirements for 2020-21.

As indicated in the report, AEMO will engage with the ERA post relevant operational experience with the newly commissioned Facilities if it is identified that the current LFAS requirements are no longer sufficient.

Please do not hesitate to contact Teresa Smit if you have any queries.

Yours sincerely

Nicole Markham
(Acting) Group Manager – System Management
